— who has since intermarried with Andrew J. Ely, and she claims dower, in the before named tract lying on the Poor Valley Ridge, but relinquishes all right of dower, in the land on Strait Creek, with the McCready survey. Each of the decedents, Thomas Pennington and Tobias Pennington died without a will, and their lands, descended to their children as before named, and hence Tobias Pennington by descent and purchase owned 4/6 of the two tracts herein named and the two half sisters, Amanda, & Martha, the children by the second wife the other two Sixths. These lands were never partitioned between these last named heirs before the death of the said Tobias, and consequently his undivided 4/6, in the said two tracts descended to his four children above mentioned, each one being entitled to 1/6 of the whole.

The object of this Bill is to partition said lands, first between the children of Thomas Pennington according to their rights herein set forth, and then to assign dower, to his widow, in the Poor Valley Ridge tract, and divide both tracts among the 4 children of the said Tobias, according to their respective interests by descent. Your Orator John G Ely owns land adjoining in part, the 2100 tract on Strait Creek, and the Defts Silburn Myers, owns land, adjoining in part the tract lying on the Poor Valley Ridge, and each of these parties, desires that their share in the respective tracts may be allotted next to the land they now own, and your Orators pray that your Honor will so direct, if it can be done without prejudice to others in interest.

Your Orators being without an adequate remedy at law, and entitled to relief in —

Equity, their prayer therefore is that Silburn Myers & Sarah E his wife, Ino Pennington (Tobias Son) A. J. Ely and Nancy his wife, and Amanda, & Martha Pennington, children of Thomas Pennington, be made parties Defendants to this Bill, and be required to answer the same fully and truly upon oath; that a guardian ad litem be appointed, for Sarah E. Myers, John Pennington Amanda Pennington, and Martha Pennington, all of whom are infants; and that Your Honor will decree partition of said lands, ~~defendant~~ to the rights of the respective parties in interest, and confirm, and quiet each in his allotment; and that upon a final hearing Your Honor will grant to Your Orators, such other, & further, general and Special relief, as the case merits, and it is competent for a Court of Equity to grant.
